Achal Raina appointed Lotus Greens CEO

7th September 2016, Noted Real Estate expert Achal Raina takes over the charge of Lotus Greens as CEO and Executive Director.

Adept in all facets of real estate development, Raina's flair for spotting business opportunities ahead of time, mergers, acquisitions, structured deal constructs and brand building, makes him a force to reckon with and the market would soon be witnessing progressive announcement from Lotus Green's end.

With a professional experience of 30 years, Mr. Achal Raina is a seasoned business leader in the Real Estate Sector. Holding prestigious leadership positions in reputable organizations like DLF, Unitech, Vipul, Emaar MGF and M3M, he has left an indelible mark with his leadership skills in some of the major landmark projects in Delhi/NCR.

His high competence in Sales & Marketing for various Real Estate firms has become a benchmark for others to achieve. His strong eye towards perfection and excellent administration skills has made him a winner. With his unmatched understanding & knowledge, Mr. Achal Raina has become a true leader and an indispensable source to the real estate sector.

Achal Raina rejoins Lotus Greens as CEO

He was earlier the group president of Gurgaon based builder M3M India.

NEW DELHI: Delhi-NCR based real estate developer Lotus Greens has appointed Achal Raina as the chief executive officer and executive director of the company effective July this year.

He was earlier the group president of Gurgaon based builder M3M India.

This is the second stint of Raina as the CEO of Lotus Greens, as he had earlier worked with the company from inception till August 2014.

"His understanding & knowledge of the business and best practices is a testament to his ability and hard work. Though his real strength lies in Sales and Marketing, his experience as CEO / Head for various real estate firms has made him a pillar of knowledge in areas like project planning & execution," the company said in a statement.

Raina has held leadership positions with organizations like DLF, Unitech, Vipul and Emaar MGF in his 29 years of professional career.
